

Connect Ads is NOW HIRING!  
Financial Analyst  
Cairo, Egypt

Are you passionate with financial analysis, able to collect, analyze, and present monthly and yearly financials based on management's needs and within the timeline.

Do you have the ability to monitor business performance based on actual achievements versus forecasted and historical ones, are you eager to add/develop more financial tools and reports based on business needs. If you are, then apply NOW to join the winning team @ConnectAds and be part of the leading digital media powerhouses and advertising solutions providers in EMEA.

**Role and Responsibilities:**

- Gather and analyze monthly balance sheets, income statements and changes in the financial position to keep track of the company financial status.
- Provide timely, relevant, and accurate reporting, and analyze the results of the business against historical, budgeted and forecasted data to facilitate decision-making.
- Analyze and provide commentary on variances across all offices regarding all existing products.
- Develop financial models, conduct benchmarking, and process analysis.
- Drive process improvement and policy development initiatives that impact the function.

**Qualifications:**

- Bachelor's degree in Finance or Accounting
- 1 - 3 years' experience in a similar role
- Financial analysis skills
- Advanced numerical skills
- Strong data gathering and data analysis skills
- Excellent computer skills (Proficient in Excel)
- Excellent command of Arabic and English
- Excellent presentation skills
