

Connect Ads is NOW Hiring!

Media Solutions Executive

Based in Cairo, Egypt

Looking for a candidate to serve as the primary liaison and communication hub between publisher, sales, and production/ad operations.

Roles and Responsibilities:

- Manage day-to-day operations for all Media solutions activities including developing creative presentations for Go To Market (GTM) materials.
- Provide high-level pitch presentations to key clients and agencies.
- Prepare materials based on editorial calendar and develop research and insights for sales opportunities

Qualifications:

- Relevant BA/BS degree and project management qualification preferred
- 1-2 years' experience in a digital advertising agency with experience of developing compelling solutions for advertisers.

To apply, please send your CV to careers@connectads.com and state job title in the subject line.
